Upcoming Events

Grizzly Triathlon 23 April 0800

Hellgate ARC members provide for public service and emergency radio communications for hundreds of runners, bikers and swimmers. Some members even compete in this event. **We have room for more volunteers so please sign up.**

Club members will be located at strategic locations along the route. It is usually finished by early afternoon and then we normally get together at Five Guys for burgers at club expense. Those helping can give the HARC event coordinator their choice for the after-event get together. A good activity to get involved with if you haven't participated in any of these events in the past. YMCA Riverbank Run 29 April 0800

Hellgate ARC members provide for public service and emergency radio communications for hundreds of runners who participate in a 10k, 5k and 1 mile fun run. **We are short of volunteers for this event and might have to cancel our involvement. Please sign up if you can participate.**
